The GHS Band had a very active summer. The band members enjoyed a trip to Kansas City on June 2-4. While there, the students and sponsors had the opportunity to attend a Kansas City Royals baseball game, ate at Gold's Buffet, and spent two days at World's of Fun, where they performed as well as enjoyed the rides. The band also performed at the Sarpy County Fair and the State Fair in Lincoln.

Football season came upon them and the loyal bandmen marched through the rain for many Friday night games. Athletes and students could always depend on the band to support them at

the pep rallies and games.

Contests were held in 1978 at Logan View High School near Hooper on April 21 and 22, and for the third consecutive year, the band received a 1 rating. Solists who were rated as superior include: Wayne Jesz, alto saxophone; Becky Poelman, clarinet; and Brian Essen, piano. The Saxophone Duet of Wayne Jesz and Cindy Smith and the clarinet duet of Becky Poelman and Barb Carl also received superior ratings.

The band was also involved in raising money for a proposed trip to Florida in June of 1979.

The main goals of FHA were to explore and to try to improve the image of FHA and Home Economics through an understanding of the multiple roles of men and women in today's society. Another goal was to provide opportunities for self-development decision making and for assuming responsibility through chapter involvement and classroom integration of FHA. The club held many activities throughout the year to help to meet these goals. Thirty-two Junior and Senior High members attended a weekend retreat at the 4-H camp. A rap session on alcohol abuse was open to the public, at which two speakers from Omaha headed the meeting. Another community program created by FHA was the Community Fun Night, the theme of the program was "You Can Be Creative." The highlight of the year for both the Junior and Senior High Chapters was to be named State Honor Chapters. Mrs. Verbeek's outstanding work in school and with FHA earned honors as Nebraska's Home Economics Teacher of the Year.

They visited Dorsey Laboratories and the Lincoln School of Commerce on a field trip in December. FBLA was one of the joint sponsors of Career Day in conjunction with National Vocational Education Week. A breakfast was held and careers such as secretarial work, accounting, tv newscasting, newspaper reporting and real estate careers were discussed with students during morning classes at the high school featuring speakers from the surrounding area. Guests of honor at the breakfast included cooperating work station employers, school board members, the vocational advisory committee, and some state officers from the vocational clubs.

Eighteen students competed in events at the State FBLA Spring Conference. Approximately 1150 Nebraska students attended the Conference. Those students placing first in the various events enter the national competition held in San Francisco in the summer.

Five girls placing at the State Leadership Conference at Omaha are pictured above. Marcia Ostransky, Honorable Mention, Typing I Knowledge; Jan Odens, 8th place in Typing I Knowledge; Cindy Smith, Honorable Mention in Office Procedures; Linda Biel, Honorable Mention in Business Communications; and Angie Carr, Honorable Mention in Business Math.

The Gretna High Media Assistants had a busy, but most enjoyable year. The state convention was held in Burwell, Nebraska, in November.

Twelve seniors were honored at the annual Senior Tea on April 25. Seniors were wished the best of luck after graduation.

We all agree that 1978 has been a very successful year and look forward to an even better year in 1979.

Scene from a bullfight in Mexico City

The Spanish Club highlighted its year with six students traveling with the Fiesta Tour of Mexico. They spent five days in Mexico City, three in Acapulco, and one night in Taxco, a silvermining city. Miss Hathaway, along with Karin Simonin, chaperoned Beth Diers, Marla Ellis, Brenda Fleck, Barb Hollwager, Joyce Lemke, and Heidi Simonin.

The tour included a bullfight, cliff divers, a boat cruise, and tours of such places as the pyramids, government buildings, and pretty cathedrals. The club worked together to raise money for the event by selling various items and holding a taco feed.

Also this year the Spanish Club had a rare, but good Thanksgiving feast. Each member prepared a Mexican dish and the food was served buffet style.

The final outing of the year was a field trip to Joslyn Art Museum and to the Old Market. Lunch was eaten at Trini's, a Mexican restaurant in the Old Market.

The GHS Pep Club under the direction of sponsors Jan Spurgeon and Vonda Conant bolstered school spirit throughout the entire year.

Pep Club sponsored Spirit Week which included Farmer Day, Hat Day, Green Day, Sock-It-To-Them Day, a bon fire and concluded the festivities with the homecoming game and dance.

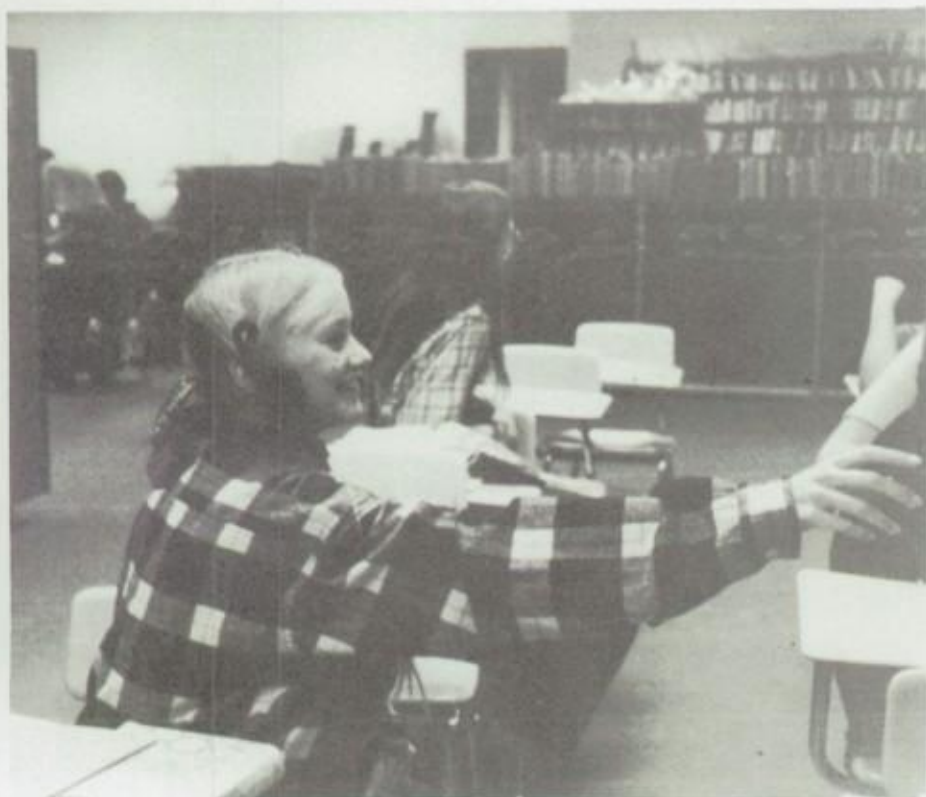

The Pep Club also recognized the parents of the athletes on parents' nights for each of the sports. They honored parents by making name tags and presenting them with flowers.

The Sports Banquet was held April 15 in the elementary gym and those members who met the requirements for letters received letters at that time.

After the real work of attending games (sometimes three night a week), working in the shack, making up pep rallies, decorating the halls with posters, and getting the entire student body involved, Pep Club members celebrated by attending Fun Night at the Silver Lining Restaurant at the Epply Airport in Omaha.

Editor Terry Francis — Seniors, Division Pages, Photographer.

The 1978 Dragon Annual Staff began with industrious people who had no previous experience putting yearbooks together. Pages often were completed after many trial and error fittings of pictures, write ups, titles, names, etc. Though the staff will undoubtedly find errors and ways to improve the Dragon after it is published, considerable effort was made to publish a good yearbook. Editor Terry Francis also doubled as the photographer. His leadership and talent were closely matched by other staff members. Saeger Studio donated time and effort in taking many of the large group pictures.

The varsity cagers started off slowly, opening the season with a 2-4 record after the first six contests. They then proceeded to win thirteen out of the last sixteen games to finish with a 15-7 overall record. The Dragons brought home a second place trophy from the Waverly Holiday Tournament, a third from the Conference Tourney, and a second from the District Tourney. Their bid for a spot in the State Tournament fell short as the Plattsmouth Blue Devils came out on top in the District finals, 55-44. With the reserves compiling a fantastic 13-1 record and seven returning varsity lettermen, the Dragons look to be strong in the future.

Wayne Jesz rounded out the year with a 9th place medal at districts. The trophy, Gretna's first in Golf, was for third place at the Ashland Inv. Although the team will be losing 5 seniors, Coach Rhodes feels the returning 4 lettermen will lead the team on to a winning season.

Kim

North Platte again welcomed Gretna track athletes as Kim Bartunek and Jan Schmid were successful in their attempts at the Districts to qualify for the State Meet. Kim peaked late in the season and hurled the discus 110'8" at the State to earn a sixth place medal as well as set a new school record. Kim also tied the school record in the high jump at 5'1". Jan Schmid took first place at the District Meet in the long jump to qualify for the State Meet, but was not successful in placing.

Scott Crawford

While good facilities do not guarantee a good track season, it seems as if Gretna's track participants will not soon have an opportunity to work out with good facilities. Other schools in the conference with better facilities seem to have a more successful program. However, Scott Crawford was a state participant in the Triple Jump after placing 1st at Districts. The two-mile relay team's third place finish at Districts was not fast enough to allow them to qualify for State, but the relay team had been successful in many of the other meets. It is hoped that the track members can in the near future have improved facilities so that they can be equal to other schools in the area.

You know how to club pretty damn good, al-

been a few things I have regretted, but
not too many. I have had alot of
fun with you and your family.
Thanks for letting me spend the night
at your house, even though I never
remember how or when I went to
sleep. Remember the time we just got
home and we were in the kitchen and
we heard your mom, so we ran and
acted like we were sleeping, and
then she thought it was him, and we
started laughing and I had to go
home! We've had alot of fun times
together and we have done all sorts of
clubbish if you know what I mean, but
every time I'm around you, I start
laughing, but we're usually so buzzed
up, we never know what we're laughing
about. Have fun in school this year.
Don't give up, it aint all bad, especially
before school. Be good with Tom,
and don't get in trouble. If you
need anything, come to me!
